

EMERGENCY COMMUNITY PETITION & PRESERVATION NOTICE

Save the Brentwood Creekside Park Pickleball Courts!

To: The City Council and City Attorney of the City of Brentwood, CA

Action Item: Formal Opposition to the Unnoticed Closure & Demand to Preserve the 2024 Capital Investment (approx.. \$408,719)

We, the undersigned residents, voters, and regional users of the Creekside Park pickleball courts, strongly protest the City Council's unnoticed vote to close our courts. This facility is a vital, inclusive public asset uniting players of all ages, backgrounds, and skill levels.

We fully support the **Formal Notice of Brown Act Violation** submitted to the City, demanding that the City Council void their defective vote, re-calendar the item with transparent public notice, and maintain the absolute **status quo** (prohibiting any physical destruction, dismantling, or alteration of the courts).
